LAUNCH FLAGSTAFF

Thank you. We couldn't LAUNCH without you.

United Way
of Northern Arizona

**THE WHARTON
FOUNDATION**

ADVANCING WORLD-CLASS EDUCATION

Share with the person next to you, a story about a time in your life when you felt most excited about learning something.

What value would a system of world-class education bring to you and your organization?

What is your role in educating our kids?

If there was an article written about what you discussed at your table, what would be the headline?

How is LAUNCH Flagstaff Relevant?
